Abstract: The School-Level Finance Survey (SLFS) data collection is conducted annually by the National Center for Education Statistics (NCES), within the U.S. Department of Education (ED). SLFS complements two existing data collections conducted by NCES in collaboration with the U.S. Census Bureau (Census): the School District Finance Survey (F-33) and the state-level National Public Education Financial Survey (NPEFS). SLFS expands F-33 to include its finance variables at the school level. Beginning with FY18, the SEAs will report total current expenditures at the school level in the same manner as for the district level on F-33. This request is to conduct in 2019 through 2021 SLFS for fiscal years 2018 through 2020 (corresponding to school years 2017/18 through 2019/20) and to expand the collected data to be analogous to the current ESSA expenditures per pupil provision.
